Thursday, May 25, 1939, Room 317, State House Concord.

The delegation was called to order by Chairman Britton after the forenoon session, with all present but Moore, Alstead; Winslow, Chesterfield; Hanson, Gilsum; Clark, Harrisville; Rice, Rindge; Chickering and Relihan, Walpole; Nelson, Winchester; Dort, Keene.

A letter from the County Commissioners, asking for a special appropriation of \$2000 for Court House repairs was read by the Clerk, following which Tarbox, Marlboro, chairman Budget Committee, stated that he and Duffy, Keene, had made

an examination and recommended that the appropriation be not made. He stated, also, that the Commissioners had withdrawn the request. On motion of Tarbox, Marlboro, it was voted that action on this appropriation be indefinitely postponed.

On motion of Martin, Keene, voted that the delegation recommend to the Commissioners that, if it is possible, inmates at the County Farm, or prisoners, be used to wash and clean the walls of the Court House. Martin stated his understanding that under those circumstances, the County would not be liable for injury to workers.

The Clerk read the recommendations of the Budget Committee for appropriations for the ensuing two years, as presented at the meeting on March 9, 1939.

On motion of Tarbox, Marlboro, it was voted to increase the appropriation for Poor Off County Farm from \$32,000 to \$42,000 per year, it being explained that this is only a bookkeeping change, to allow the total appropriation to be decreased by \$10,000 for 1939 and 1940, each, rather than to reduce the appropriation for Poor Off County Farm, the \$10,000 in either case coming from surplus already in the treasury.

On motion of Ellery, Keene, it was voted that the Budget Committee report as amended as accepted; that the sum of \$173,300 be appropriated for 1939 and \$174,200 for 1940 for county expenses; and that the County Tax be \$151,200 for 1939 and \$152,100 for 1940.

On motion of Martin, Keene, it was voted that the chair appoint a committee of three to investigate and report on mileage charges of all county officials and employees. Chair appointed Martin and Callahan, Keene; Duncan, Jaffrey.

On motion of Frissell, Keene, it was voted that the committee just appointed also investigate all telephone costs.

On motion of Thomas, Dublin, voted that the delegation recommend to Commissioners that, in preparing the annual county report for publication hereafter it be made as concise

and condensed as possible under the laws, and in accordance with the vote of the delegation in 1937.

Thomas, Dublin, moved to amend the budget for 1940 by adding \$2,500.00 for County Farm Repairs and Equipment, the same as in 1939; but after discussion, Thomas withdrew his motion.

On motion of Wheeler, Swanzey, it was voted to adjourn.

## REPORT OF COUNTY COMMISSIONERS

---

To the Citizens of Cheshire County :

In accordance with the Public Statutes of the State of New Hampshire your Commissioners are presenting herewith their annual report for the year ending December 31, 1939. Included are the reports of the County Treasurer, Solicitor, Sheriff, Clerk of Court, Superintendent of County Farm, Master of the House of Correction, and Physician to the County Farm. The fiscal year ended with a balance of \$33,188.82, and no outstanding notes or bonded indebtedness.

The Court House roof leaked badly and it was necessary to repair same at an expense of \$544.63. The interior of the Court House is in a very bad state of repair. The lighting is decidedly out of date and the entire building needs re-decorating. We trust that provisions may be made for at least a start on this work at once.

The cost of direct relief has shown a decided saving over last year. We feel that this is due in part to better business conditions throughout the County.

It is probable that the amount which will have to be spent for Old Age Assistance during the year 1940 will be increased at least fifty percent. Jan. 1st, 1940 the age limit was reduced from seventy years to sixty-five years. Old Age Assistance is administered by the State Welfare Board but twenty-five percent is charged back to the County.

The County has been responsible for the board and care for an average of seventy-five children per month at a total cost of \$15,246.42. These are children who have either lost their parents, or the parents are totally unable or incompetent to care for them. Board is paid for these children at the following

institutions: New England Kurn Hattin Homes, Golden Rule Farm Homes, New Hampshire Orphans' Home, New Hampshire Children's Aid Society, St. Joseph's Orphanage, House of the Angel Guardian, House of the Good Shepherd, Church Mission of Help and Coit House. Also in twenty-one foster or boarding homes. Some of the older children are now able to care for themselves and need only medical aid or a small clothing allowance. Some of these children have been boarded by the County for twelve or more years.

Forty-one mothers with 108 children are receiving allowances from the State and Federal Governments under the "Aid to Dependent Children" Act.

Federal Surplus Commodities were distributed at a cost of \$1,395.72 to the County. These commodities are supplied by the Federal Government to be distributed to those on welfare and borderline cases where these commodities will help a family to maintain themselves without aid. The entire cost of distribution is charged to the County. As the amount of supplies is limited, it is hoped that town overseers of poor and other agencies certifying families for these commodities will remove names as soon as the need has passed so that the supplies can be given to those who need them most.

During this year joint W. P. A. sewing projects have been maintained with the Town of Jaffrey and the City of Keene. The workers on these projects have been able to support their families, and much clothing has been made and distributed to the needy families in the County.

The population at Maplewood Home and Hospital has been unusually large this year. This large population has raised the amount spent to maintain the Institution. However, the per capita cost is somewhat lower than other years and compares very favorably with other county institutions. The Hospital has had a very successful year. There have been fewer deaths and more births than usual. Two registered nurses have been added to the staff so that the Hospital is now cared for by Dr. Neil C. Stevens and three trained nurses.

The prison population has not been as large as in some former years. Many of the prisoners have served very short terms and there have been more old men among the prisoners.

The bill for board of prisoners at the Manchester jail and Keene Police Station is somewhat larger than it has been for some years, due to the fact that the facilities at the jail in Westmoreland are not adequate to care for many of the high court cases.

A new roof on the boiler house at the County Home was necessary, and bubblers have been installed in the men's and women's department. A septic tank has been installed to care for the women's building. The farm buildings and all equipment have been well maintained under the efficient supervision of Superintendent Sherman. We especially feel that Mrs. Sherman has proven an excellent matron under trying circumstances due to the crowded conditions, giving wonderful care to the many women and children who have been cared for at the Home this year.

We wish to take this opportunity to express our appreciation to the workers in our office who have given every possible assistance in the investigation of all cases. We also wish to extend our thanks to the various overseers of the poor, selectmen, county and city officials, State Board of Public Welfare, and to all citizens of Cheshire County for the hearty cooperation and support given us during the year 1939.

Respectfully submitted,

FRED A. RAMSAY,

H. REES JONES,

LEWIS H. DEAN,

County Commissioners.

## SUPERINTENDENT'S REPORT

---

To the Honorable Board of Commissioners of Cheshire County :

The following is the report of the Cheshire County Farm for the year ending December 31, 1939.

The more important repairs and additions to our equipment during the year were the purchase of an electric stove for our cottage kitchen, four gatch beds, beside stands and screens for our Hospital. The installation of bubblers in both the women's building and the men's quarters. Extensive repairs to our boiler house roof and the installation of one septic tank. For the farm we purchased a new hayloader, plow, one brooder and made extensive repairs on one of our tractors including rubber tires for the newer machine.

With the exception of our hay crop which was light, all departments of the farm were very productive. Our potato crop was 1,425 bushels, the largest in several years. Over 6,500 qts. of vegetables from the garden were canned for winter use.

There was a decided increase in our population which had a tendency to increase our expenditures but lower the per capita cost.

During the year several different groups brought to the Institution some form of entertainment, these entertainments were so greatly appreciated by the people that we wish a larger number of groups would make the effort to visit us with entertaining programs. We wish to thank the various church organizations who conducted our religious services, and to thank the County Commissioners for their support and cooperation during the year.

Respectfully yours,  
B. F. SHERMAN, Superintendent  
A. M. SHERMAN, Matron

## PHYSICIAN'S REPORT

---

**NEIL C. STEVENS, M. D.**  
Walpole, N. H.

To the Honorable Board of Cheshire County Commissioners:  
Gentlemen:

I herewith submit my report of the Medical Department of the Cheshire County Farm for the year ending December 31, 1939.

There were 150 patients admitted to the hospital who received 854 weeks and 3 days' board.

There were 18 births and 12 minor and 1 major surgical operations, and 16 deaths.

We have had more than the usual number of confinement cases. There was an unusually low death rate, considering the fact that most of the patients in the hospital are old and many in constant critical condition, it is eloquent testimony of the efficiency of the nursing staff and cordial and intelligent cooperation of Mr. and Mrs. Sherman. It is an illustration of what intelligent and tireless nursing is able to accomplish.

Respectfully submitted,  
NEIL C. STEVENS,  
Physician to the County Farm.

## SHERIFF'S REPORT

---

To the Honorable Board of Commissioners for Cheshire County :

I herewith submit my report for the year ending December 31, 1939. This Department has received more than the usual number of Complaints, and everyone has received careful consideration and thorough investigation, whenever the circumstances seemed to warrant. And we have been greatly assisted by the able judgment of the County Solicitor in a great many of these cases.

Of the numerous reports of Breaking and Entering, investigation has shown that in a great many cases nothing was taken; and while such cases are annoying, and require considerable time to check, the loss or damage to the owner is small.

We of the Sheriff's Department stand ready and willing at all times to render every possible service for the protection of the citizens of this County and their property; and I cannot too strongly urge upon all Citizens, the importance of promptly reporting all cases of mis-conduct, or violation of the law, which come to your knowledge.

We have had three deaths by murder to investigate, all of which I believe have been very satisfactorily taken care of. The number of investigations made is practically the same as last year, or about 155, resulting in fewer arrests than in 1938 and the value of stolen property has been appreciably less.

I wish to express my heartfelt appreciation, for the cooperation and assistance rendered by all of my Deputies; the County Solicitor; the Clerk of the Superior Court; the members of the Police Department of Keene and the Towns of the County. Also, to the State Police Department, and private citizens who have

been of such valuable assistance in keeping our County such a safe and desirable a place in which to live.

Following is an account of Expenses for the two terms of the Superior Court.
